# ABOUT US

Boundary Youth Soccer Association (BYSA) is a community-driven, not-for-profit organization dedicated to providing positive, inclusive soccer experiences for youth across the Boundary. We believe every child deserves the opportunity to play, grow, and belong regardless of skill level or background.

BYSA is committed to creating a safe, supportive, and affordable environment where players can build confidence, develop teamwork, and foster a lifelong love of the game.

From first-time players to seasoned athletes,

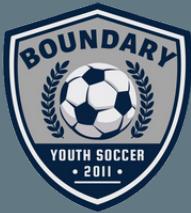

our programs focus on development, sportsmanship, and fostering strong connections both on and off the field.

As a registered Society, BYSA operates as its own District, serving a single club that spans from Christina Lake to Big White, encompassing Regional District electoral areas C, D, and E, and the communities in between.

Our teams are built locally, practice locally, and compete against teams from across the Boundary strengthening regional ties while keeping youth sport rooted in the communities we serve.
